

SOLUTION SHEET NO. 6

Hot chocolate pod

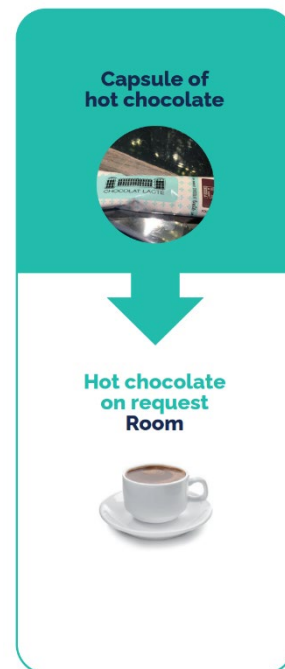

Single-use plastic(s) concerned :

Hot chocolate pod

Space : Bedroom

Usage description :

Hot chocolate pods available on the courtesy tray. Pods replaced daily if consumed.

Alternative chosen

Hot chocolate on request

OUR ADVICE

Clear communication is needed about the availability of hot chocolate on request.

Environmental and social issues :

- There is no transfer of impact to the alternatives, and as the consumption of these products is reduced by 99%, the environmental impact is reduced even further.
- Staff were very flexible when it came to assembling products in the room.
- The alternative also makes it possible to offer better quality products to customers and increase quality of service.

Technical and economic information :

Savings of €1,076 in 3 months.

Orders generate additional sales for the hotel because they are accompanied by additional orders.
