Produced as part of the Beyond Plastic Med hotel training programme

Solution title: 100L paper bin bag

Solution tested by: HÔTEL 96

Single-use plastic(s) concerned:

Rubbish bags used by chambermaids when cleaning rooms to collect waste

Location: Housekeeping trolley

Presentation of the alternative:

Reuse of the 100L paper bag received each morning with the bread delivery from our baker

Technical and economic details:

Supplier: Local bakery Price: €0

Social and environmental issues:

Team's view: Not well received by housekeeping staff as it is too fragile when damp

Your advice:

Impractical and too fragile for use in the hospitality sector. Unfortunately not viable.
