

Solution sheet – Towards a single-use plastic-free hotel

Produced as part of the Beyond Plastic Med hotel training programme

Solution title: Bulk loose sweets

Solution tested by: HOTEL 96

Single-use plastic(s) concerned:

Individual plastic wrappers for each sweet

Location: Seminar room

Description of the alternative:

Unwrapped sweets sold in bulk, in a 1 kg plastic bag. These are placed by staff into small individual glass jars

Technical and economic details:

Supplier: Bonbons Barnier Price:

€19.60 excl. VAT **per** kg

Social and environmental considerations:

1 kg bag sorted for recycling

Team feedback: positive, as it requires no organisational changes for them, since we had already introduced the individual mini jars of sweets

Your advice:

make sure to store them in a cool place so that the sweets don't stick together in the heat
